Dear Friend of Father Seelos:

"I was in New Orleans a few weeks ago and my sister gave me a Father Seelos' picture prayer card, asking me to pray to him. I have been granted three special favors in such a short time. Before my novena was finished my intentions were granted. If there ever was a saint it is he. I will always remember him."

This is just a sample of the letters we receive which shows how the number of his followers is growing every day and the enthusiasm among them.

All this has been made possible by your generous contributions. If it had not been for you we would have been unable to distribute the literature that enabled these people to know of Father Seelos and pray to him. Consequently YOU have a share in the favors granted to these people who learn of Father Seelos as a result of your thoughtful generosity.

We are happy to announce that a brochure, giving the highlights of Father Seelos' life is now at the printer. It will be ready for distribution shortly. You will receive a copy in the mail at some near future date. If you wish more copies of this brochure, you may obtain them free of charge just by writing to us.

We would also appreciate if you would write us the names of your friends to whom you would like to have us send literature about Father Seelos. We will be happy to do this free of charge. We will not reveal your name.

If you would like to have more relics or pictures of Father Seelos, don't hesitate to write. We have a good supply on hand and we will be happy to give them to you in any number you desire. Don't hesitate to ask for a hundred or more. You need not distribute them immediately, but over a period of time you would certainly be able to distribute this amount. Remember, the more literature about Father Seelos you distribute, the more widely known he will become and the more he will be honored and prayed to.

Some have made donations in advance. However, it is too difficult for us to keep our files if we try to skip sending an envelope for a month. So if you have donated in advance, please disregard this notice.

Again, with sincere thanks and heartfelt wishes to you for the fullness of God's blessings on you during the Easter Season, I remain,

Devotedly yours in Christ,

John J. Vaughn, C.S.S.R., Vice Postulator
