Thanks To Father Seelos For.....

....peace and understanding in the family and financial aid for my sick sister.

....the return of my husband to me after I had asked him to leave. We are trying to make a success of our marriage.

....the return of my sister-in-law to the Sacraments after 20 years.

....curing my husband of a very bad case of virus.

....the recovery of my daughter. She had fever for five weeks, which it seemed impossible for the doctors to bring down.

....curing me of a numbness in my leg from which I suffered after the birth of my last baby.

....for several favors granted me - A patient whom I was nursing has shown quite a bit of improvement from a stroke which he suffered. I sold a piece of real estate which it seemed I would never be able to dispose of.

....the recovery of my granddaughter from rheumatic fever, which would ultimately have led to rheumatoid arthritis.

....recovery of my brother from a complete nervous breakdown. He is now back at work.

....changing my husband's ways and also helping him overcome a drinking problem.

....a successful court trial involving my position. I have been reinstated.

....recovery from a severe heart attack. After four months I have finally returned to work.

....sending me a fine baby girl. I prayed that I would have a child and am grateful to Father Seelos that both the child and me are very well.

....my recovery from a cold which I continued to suffer with after recovering from pneumonia last winter.

....my husband's relief from a pinched nerve and also for successful breast operation on my daughter.

....the survival of my husband's niece who was given a 50-50 chance to live at birth. She was born with a lung ailment. She is now two years old and a fine child.
